Dear [REDACTED],

Thank you for your Freedom of Information (Fol) request received on 14 January 2025. You wrote:

'I kindly wish to request under the FOI Act the approved environmental risk assessment for Haldol Injection (PL 00242/0036R). We understand this marketing authorisation is now withdrawn in the UK, however please can you provide the ERA which was current at the time of withdrawal.'

MHRA Response

Following a search of our paper and electronic records, we have established that the information you requested is not held by the Agency.

Haldol Injection PL 00242/0036R was first licenced in November 1988, prior to introduction of environmental regulations and requirement for risk assessments. We can find no record of an Environmental Risk Assessment associated with this product before it's withdrawal in May 2018.

If you have any queries about this letter, please contact us quoting the reference number above.

Yours sincerely,

MHRA Central Freedom of Information Team
