Dear [REDACTED] and [REDACTED]

I refer to the authorisation under Regulation 174 of the Human Medicine Regulations 2012 (as amended), dated the 2nd December 2020.

For the batch EJ0553; following review of the QP certificate of Compliance and the QP check sheets, the MHRA has no objection to the QPs considering the certification and release of these batches to meet critical patient need.

Yours sincerely
