Dear [REDACTED]

Thank you for your Freedom of Information (Fol) request received on 20 April. You wrote:

*I want to get access to the Clinical Study Report with the identifier STL-N/S-95-003 which was done by the sponsor Pfizer on the active ingredient Sertraline (Brand name: Zoloft).*

### **MHRA Response**

The Pfizer product Zoloft contains the active substance sertraline. The sertraline product(s) authorised in the UK to Pfizer Limited was (were) called Lustral. The initial UK marketing authorisation approval for Lustral was in 1990 to Pfizer Limited. Subsequently, Lustral underwent several changes of ownership. Following a search of our paper and electronic records we have established that the information you have requested is not held by this Agency.

If you have any queries about this letter, please contact us quoting the reference number above.

Yours sincerely,

MHRA Central Freedom of Information Team
