

Annex 1: Tables displaying number of reports for the 10 most reported batch numbers up to and including 02/09/2024.

Table 1: Total number of UK spontaneous adverse reaction reports for the 10 most reported batch numbers for the COVID-19 Pfizer/BioNTech monovalent vaccine up to and including 02/09/2024.

| Batch number | Number of reports | Number of fatal reports |
|--------------|-------------------|-------------------------|
| ER1741* | 5158 | 23 |
| ER1749* | 4344 | 15 |
| EW4109 | 4122 | 7 |
| EL0739** | 3602 | 30 |
| ET8885*** | 3478 | 5 |
| EW3143 | 3312 | 4 |
| EM4965 | 2892 | 5 |
| FA1027 | 2710 | 1 |
| EK1768**** | 2571 | 18 |
| EE8492 | 2361 | 2 |

*Search criteria for this batch, includes variations between the number 1 and the letter I, letter R and the letter K.

**Search criteria for this batch, includes variations between the number 0 and the letter O

***Search criteria for this batch includes variations between the letter E and the letter B

****Search criteria for this batch includes variation between the letter K and the letter X

Table 2: Total number of UK spontaneous adverse reaction reports for the 10 most reported batch numbers for the COVID-19 AstraZeneca vaccine up to and including 02/09/2024.

| Batch number | Number of reports | Number of fatal reports |
|--------------|-------------------|-------------------------|
| 4120Z003* | 7485 | 21 |
| PV46664** | 7023 | 17 |
| PV46671** | 5594 | 17 |
| AB0012 | 5038 | 14 |
| PV46672** | 4983 | 8 |
| PW40009 | 4606 | 17 |
| PV46669** | 4193 | 10 |
| PV46673** | 4157 | 7 |
| AB0011 | 4010 | 20 |
| PV46663** | 3985 | 16 |

*Search criteria for this batch, includes variations between the number 0 and the letter O, the number 2 and the letter Z

**Search criteria for this batch, includes variations between the letter V and the letter U, the letter V and the letter Y

Please note a larger increase in the number of reports for batch PV46664 provided in comparison to that included in FOI 23/305. This is due to change in search criteria which now includes variations between the letter V and the letter U.

Table 3: Total number of UK spontaneous adverse reaction reports for the 10 most reported batch numbers for the COVID-19 Moderna monovalent vaccine up to and including 02/09/2024.

| Batch number | Number of reports | Number of fatal reports |
|--------------|-------------------|-------------------------|
| 3002332 | 2709 | 1 |
| 3002621 | 1810 | 0 |
| 3001659 | 1763 | 0 |
| 3004675 | 1402 | 1 |
| 3004732 | 1280 | 2 |
| 3003608 | 1191 | 0 |

| | | |
|---------|------|---|
| 3004737 | 1146 | 1 |
| 3003651 | 994 | 0 |
| 3005686 | 652 | 2 |
| 3005287 | 628 | 3 |
