Dear [REDACTED]

Thank you for your Freedom of Information (FOI) request received on 5 March 2026. You wrote:

I am writing a Freedom of Information request in order to request the following for product, Diprosalic Scalp Application 0.05% w/w / 2% w/w, cutaneous solution (PL 00025/0569):

- * *Please can you confirm the legal basis and route of authorisation?*
- * *Please can you confirm the licencing history?*
- * *Please can you provide the public assessment report?*

MHRA Response

A marketing authorisation for Diprosalic Scalp Application (PL 00025/0569) was granted to Organon Pharma UK Limited on 06 January 2011, following a Change of Authorisation holder (CoA). The original marketing authorisation was granted to Schering-Plough Limited on 10 June 1986 (PL 00201/0069), following an abridged simple application (HMR Regulation 56, formerly Article 10c of Directive 2001/83/EC).

As the original marketing authorisation predates when MHRA would have been required to publish a Public Assessment Report (PAR), no PAR is available for this product.

Please note that the purpose of an FOI request is to confirm whether we hold information and consider that information for release, on request.
