To Yellow Card Mailbox <yellow.card@mhra.gov.uk>

You don't often get email from [REDACTED] [Learn why this is important](#)

Dear Sir/Madame,

My responses to the above case are as below.

Yours faithfully,

---

He has no known predisposing factors for development of an NUT tumour.

There was no atypical feature in this case.

His cancer was likely to have developed over months.

I do not believe its development was in any way associated with the Covid-19 vaccine.

There was no feature to make me believe that there was any associated with the COVID-19 vaccine.

I do not believe there was any other information that might be relevant to this Yellow Card report.
