Dear [REDACTED]

Thank you for your Freedom of Information (Fol) request received on 21 April. You wrote:

Thank you for your letter of 27 March 2026. I appreciate the consideration of my request dated 27 February 2026 (Your Ref: FOI2026/00211).

I note the Agency is treating this request as vexatious because of the burden that would be placed on MHRA and its staff in retrieving the entire records for each of the 8 studies in total.

I would therefore like to reduce the scope of my request to information on the single specific study, NCT06054425 ("A Study to Compare the Bioavailability of Intravenously Infused Risankizumab Manufactured by Two Different Processes in Healthy Adults"). In addition, I would like to request the clinical study report relating to the outcome of this specific clinical trial.

Should any part of the requested information be exempt from disclosure, I kindly ask that you provide the non-exempt portions.

MHRA Response

Following a search of our paper and electronic records, we have established that the information you requested is not held by the MHRA.
